2 of accountability, flexibility, and consequences in accordance with this article.

3 (b) A local school system may elect not to request increased flexibility in exchange for
4 increased accountability and defined consequences and opt to remain under all current
5 laws, rules, regulations, policies, and procedures, and such local school system shall:

6 (1) Conduct a public hearing for the purpose of providing public notice that such local
7 school system is opting for the status quo. The public hearing shall be advertised in a
8 local newspaper of general circulation which shall be the same newspaper in which other
9 legal announcements of the local board of education are advertised; and

10 (2) Sign a statement on a form provided by the state board that such local school system
11 is opting for the status quo.

12 20-2-81.

13 (a) Each local school system which elects to request increased flexibility pursuant to this
14 article shall develop a five-year strategic plan which sets out the school system's vision and
15 mission for improving the performance of its schools and shall clearly delineate in a
16 proposed contract the following for measuring the improvement and performance of its
17 schools:

18 (1) Current performance data, grade levels, and demographic data for each school within
19 the school system;

(c) The department, in consultation with the Office of Student Achievement, shall make a recommendation to the state board on whether the proposed terms of the contract should be approved by the state board.

(2) In the event that the state board denies approval of the proposed terms of the contract, the local board of education shall work with the department, in consultation with the Office of Student Achievement, for further revisions and resubmission to the state board.

(e) The state board shall be authorized to approve a waiver or variance request of specifically identified state rules, regulations, policies, and procedures or provisions of this chapter upon the inclusion of such request in the local school system's proposed contract and in accordance with subsection (b) of Code Section 20-2-84. The goal for each waiver and variance shall be improvement of student performance. 4 (b) The terms of the contract shall include, but not be limited to, accountability, flexibility,
5 and consequences components as negotiated pursuant to subsection (a) of Code Section
6 20-2-82 and in accordance with Code Section 20-2-84.

7 (c) Each contract shall be for a term of five years. The terms of the contract may provide
8 for automatic extension of such contract if a local school system has met its accountability
9 requirements.

10 (d) The terms of a contract may be amended during the term of the contract only if
11 warranted due to unforeseen circumstances and upon approval of the state board and the
12 local board of education.

Consequences shall be incurred upon noncompliance of a local school system with the accountability component of its contract; provided, however, that if a local school system has been in compliance with the accountability component of its contract for at least three consecutive years, consequences shall not be invoked upon the fifth year of the contract, and such school system may request an extension of its contract and corresponding flexibility from the state board. The schedule of interventions or sanctions, including loss of governance, for failure to meet identified levels of achievement or specified levels of progress shall be mutually agreed upon in the contract. 30 that the terms of some or all of the board members will expire before the employment of
31 the superintendent so appointed and employed begins. ~~Where a local board of education~~
32 ~~decides to appoint and employ the incumbent elected superintendent of the school district~~
33 ~~as the superintendent for a term beginning during 1996 or thereafter, or to renew the~~
